Seton Home

We are elated to announce Seton Home's 2021 Gala in the Garden benefitting the outstanding programs that create systemic change and annually impact the lives of hundreds of mothers and their children. Since its inception in 1981, Seton Home has provided a caring, loving, and spiritually supportive home to pregnant and parenting teen mothers and their children. Now, 40 years later, Seton Home continues to fulfill the mission of creating a safe space for these families to find the mentoring and guidance necessary to obtain an education, receive parenting classes, and become self-sufficient parents and empowered women.

You are cordially invited to join us on Saturday, May 21, 2022 as we celebrate our Ruby Anniversary at the Witte Museum for a lovely evening to celebrate the lives of our Seton Home families. We are fortunate to have friends like you, who selflessly share their time, talent, and treasure with Seton Home, impacting not only our current residents, but also the lives of generations to come. Your generous support will ensure the continued success and implementation of our programs.

We know that many worthwhile organizations ask for your assistance, and we truly appreciate your support of Seton Home. Gala in the Garden's proceeds afford Seton Home the privilege to continue our mission of guiding our young mothers and their children into a sustainable life of fulfillment and opportunity. Will you please join us as pioneering members through one of our sponsorship opportunities?

Thank you again for your consideration and support of Seton Home. For more information, please contact Ashley Garcia, Director of Fundraising and Special Events, at 210-222-1294, or via email at agarcia@ccaosa.org. We look forward to celebrating our mothers and babies with you at our 2021 Gala in the Garden.

Blessings,

Dr. Charlotte Immenschuh
