

Gala in the Garden Sponsorship Packet

Please consider supporting Seton Home on this special night. We value our partnerships with corporate and individual donors and will serve as good stewards for your generous investment. We are committed to delivering valuable benefits and a positive partnership experience to each Seton Home sponsor.

Valued Donor,

We are excited to announce Seton Home's 2027 Gala in the Garden on Saturday, March 20, 2027, benefiting the outstanding programs that create systemic change and impact the lives of hundreds of young mothers and their children. This year's theme is "Blossoming Anew!" We look forward to celebrating new beginnings, growth, and the incredible futures being created through Seton Home.

Since its inception in 1981, Seton Home has provided a caring, loving, and spiritually supportive home to pregnant and parenting teen mothers and their children. Today, Seton Home continues to fulfill the mission of creating a safe space for these young mothers to find the mentoring and guidance necessary to obtain an education, receive parenting classes, and become self-sufficient parents and empowered women.

We are fortunate to have friends like you who selflessly share their time, talent, and/or treasure with Seton Home, impacting not only our current residents, but also the lives of generations to come. Your generous support will ensure the continued success and implementation of our many programs.

We know that numerous worthwhile organizations ask for your assistance, and we truly appreciate your consideration of Seton Home. Gala in the Garden's proceeds afford Seton Home the privilege to continue our mission of guiding our young mothers and their children into a sustainable life of fulfillment and opportunity. Please consider assisting our mission by purchasing a table and joining us at our event, or by donating an item or basket for our silent or live auctions.

Thank you for your consideration and support of Seton Home!
